WELCOME BACK TO ANOTHER AMAZING SEASON OF LEARNING, LAUGHTER, AND DANCING TOGETHER.

NEW: Rewards Program for Students

Our 2026–2027 Rewards Program was introduced, and we are so excited to recognize and celebrate the special moments—both big and small—that make our dancers shine! Dancers may be recognized by their teachers for a variety of things, such as helping a friend, showing a positive attitude, demonstrating good behavior, or achieving a new skill. Once they fill up their Rewards Card, they get to pick a special prize from our prize bin!

2027 Recital Theme

Get ready to pack your bags and join E-Dance for an unforgettable journey around the globe! Our 2027 recital, Passport to the Stage, will celebrate the music, movement, and inspiration found in cultures and destinations from around the world.

This year's recital logo captures the spirit of our adventure. The globe represents the worldwide journey our dancers will take, while iconic landmarks symbolize the many destinations we'll visit along the way. The airplane reminds us that our passports are ready and our next adventure is just ahead, while the dancers featured throughout the design bring it all back to what we love most—DANCE!

Throughout the season, each class will prepare a routine inspired by a different place, culture, or musical influence from around the world. When recital time arrives, our dancers will take the stage and transport our audience from destination to destination—all without leaving their seats!

Your passport is ready. Your destination is the stage. We can't wait to travel the world with our E-Dance family in 2027!
